Research collaboration

Living in Dubai,
United Arab Emirates

Why UOWD?

University of Wollongong in Dubai is one of the UAE's oldest and most prestigious universities. Established in 1993 by University of Wollongong in Australia, currently ranked in the leading universities in the world, it is now an independent university, licensed by the UAE Ministry of Higher Education and Scientific Research. It is also the first private university to be accredited to offer doctoral programs in the country.

UOWD attracts students from the UAE and all over the world. Over 3,800 students representing almost 100 nationalities are studying in a variety of Undergraduate Postgraduate programs in its three faculties – Business & Management, Finance & Accounting, and Computer Science & Engineering. The University has also expanded into the Social Sciences, with degrees in Communications and International Studies.

UOWD seeks to recruit a number of highly motivated, research active Faculty to commence in the academic year 2012 in the following disciplines:

- **DBA/PhD Program (2):** Director, Postgraduate Research and an Associate Professor
- **Business and Management (5):** Quality Management, Supply Chain Management, Management, Marketing, and Human Resources Management
- **Finance and Accounting (4):** Finance and Banking, Accounting
- **Computer Science, Computer Engineering (2)**
- **Electrical & Telecommunication Engineering (2)**
- **Media and Communication, International Studies (2)**

Why Dubai?

Dubai is both a lively international business center and a laid-back tourist escape. These contrasts give Dubai its unique flavor and personality, a cosmopolitan society with an international lifestyle, without giving up the Islamic traditions of Arabia.

Dubai is not only a melting pot of cultural diversity, it is also a very safe, and largely comfortable region, perfect to reside or bring up a family. It has excellent nurseries, schools and Universities for students, world class health care system and plentiful modern housing.
